4 THE WALDRONS

PREFACE.

THE Register Books I. and II. of the Parish Church of St. Mary the Virgin, Putney, Surrey, are here printed in an abbreviated form, without the loss of a single fact, from a full transcript made by Miss A. C. Hare, of that town.

The printed Register has been collated with the original Register books.

On the inner cover of the first Register book the following appears in the handwriting of the Rev. Wm. Leo, D.D.:

"1624

January 17

A true and perfect abstract of all such Baptismes Mariages and Burialls which haue beene recorded in former Registers, had and found in the custodies of the churchwardens, and other the inhabitants of the parishe of Putney, now newly entered according to the auncient bokes into this more formall and authentique Register the same being dulie examined & approved to the end that a more exact and perfect Record of all such Mariages, Baptismes and Burialls which shall happen in future time may be kept and registerd according to the lawe in that case provided. This abstract was extracted and made at the time that William Leo Dr of Divinitie was Preacher there and Richard Willett and Papilion gent: wer Churchwardens

3: Januar: 17. 1624

Witnessed wth the subscriptions of them the same

Wm. Leo, D.D."

Register I. is written on parchment, and is bound in a leather cover (size 17in. by 10in.), ornamented with an embossed brass plate, fixed in the centre of the front cover, and the corners are protected with four embossed brass plates. The Register was originally fitted with two brass clasps, both of which are now missing.

On the front cover is stamped in gold letters:

MS

MARIAE KNYVETT

OBIIT 27 AVGVSTI 1623.

On the back cover is likewise stamped:

MARY HATH CHOSEN THE GOOD PART

WHICH SHALL NEVER BEE TAKEN

FROM HER.

The Register is in good condition, and contains:

Weddings from 24 Jan., 1620, to 13 Feb., 1699.
Baptisms from 12 Sep., 1620, to 12 May, 1700.
Burials from 27 Sep., 1620, to 22 Mar., 1686.

Register II. is also written on parchment, and is bound in a vellum cover (size 12½in. by 8¾in.), ornamented in a like way to Register I., but with the two brass clasps intact.

The Register is in good condition, and contains:

Weddings from 11 Aug., 1700, to 4 Sep., 1734.
Baptisms from 3 Apr., 1700, to 16 Mar., 1734.
Burials from 8 Apr., 1700, to 15 Mar., 1734.

The Registers are kept in an iron safe in the vestry.

It will be observed that during the *Commonwealth Period* there is not the usual paucity of entries that occurs in most registers.

The Editor is unable to explain why the entries of the Burials from 22 Mar., 1686, to 8 April, 1700, are missing.

On account of the extent of the Register it has been necessary to divide it into two volumes, the second of which will contain the remainder of the Weddings, Baptisms, and Burials to 1812, and an Index of Names, Places, and Descriptions.

Space has been saved in the printing of the Register by adopting uniformly the initial letters "s" and "d" to indicate "son" and "daughter"; and the repetition of the formulas "were married" or "baptised" or "buried" has also been avoided with a similar result.

Anything in italics within brackets, thus [ ], will of course be understood as explanatory interpolations by the Editor.

Thanks are due to the Vicar, the Reverend Canon Thurston Rivington, M.A., for the permission to print the Register, and the facilities for the work of transcription and revision so kindly afforded to the Transcriber and Editor.

The frontispiece is "Putney Church from the White Lion." J. Dillon, del. R. Laurie, sculpsit. Published Feb. 24th, 1783, by John Harris, Sweetings Alley, Cornhill, London.
